

There's no way to hold it in

Fill in the gaps

This Is Me by Demi Lovato & Joe Jonas

I've (1) (2) the kind of girl	No (13) hiding who I want to be
That hid my face	This is me
So (3) to (4) the words	You're the (14) I hear inside my head
What I've got to say	The reason that I'm singing
But I have this dream	I need to find you
Bright inside of me	I gotta find you
I'm gonna let it show	You're the missing (15) I need
It's time	The song inside of me
To let you know	I (16) to find you
It's to let you know	I gotta find you
This is real, (5) is me	This is real, this is me
I'm exactly where I'm (6) to be now	I'm (17) (18) I'm supposed to
Gonna let the light shine on me	be now
Now I've found who I am	Gonna let the (19) shine on me
There's no way to (7) it in	Now I've found who I am
No more hiding who I want to be	There's no way to hold it in
This is me	No more hiding who I want to be, yeah
Do you know (8) it's like	This is me
To feel so in the dark	You're the missing (20) I need
To (9) about a life	The (21) inside of me
Where you're the shining star	You're the voice I hear
Even (10) it seems	Inside my head
Like it's too far away	The (22) (23) I'm singing
I (11) to believe	Now I've found who I am
In myself, it's the only way	There's no way to (24) it in
This is real, this is me	No more hiding who I want to be
I'm (12) where I'm supposed to be now	This is me
Gonna let the light shine on me	This is me
Now I've found who I am
