Fill in the gaps

Moves Like Jagger by Maroon 5 & Christina Aguilera

	Kiss me 'til you're drunk and I'll show you
(Oh)	All the moves like Jagger
(Oooh)	I've got the moves like Jagger
Just shoot for the stars if it feels right	I've got the moves like Jagger
Then aim for my heart if you feel like	I don't need to try to control you
Take me away and make it okay	Look into my eyes and I'll own you
I swear I'll behave	With them moves like Jagger
You wanted control, so we waited	I've got the moves like Jagger
I put on a show, now I make it	I've got the moves like Jagger
You say I'm a kid, my ego is big	You wanna know how to make me smile
I don't give a s***	Take control, own me just for the night
And it goes like this	And if I (7) my secret
Take me by the tongue and I'll know you	You're gonna have to keep it
Kiss me 'til you're drunk and I'll show you	Nobody else can see this
All the moves like Jagger	So watch and learn, I won't show you twice
I've got the moves like Jagger	Head to toe, oh baby rub me right
I've got the moves like Jagger	If I (8) my secret, you're gonna have to keep it
I've got the moves like Jagger I don't need to try to control you	If I (8) my secret, you're gonna have to keep it Nobody else can see this
