Talking To The Moon by Bruno Mars

They're talking back (Oh)

Fill in the gaps

I know you're somewhere out there	At night (7) the stars light up my room
Somewhere far away	I sit by myself
I want you back	Talking to the moon
I (1) you back	Try to get to you
My neighbors think (2) crazy	In hopes you're on the other side
But they don't understand	Talking to me too
You're all I have	Or am I a fool
You're all I have	Who sits alone
At night when the stars light up my room	Talking to the moon
I sit by myself	(Ah ah ah)
Talking to the moon	Do you ever hear me calling?
Try to get to you	(Ah ah ah)
In hopes you're on the other side	'Cause every night
Talking to me too	I'm (8) to the moon
Or am I a fool	Still trying to get to you
Who sits alone	In (9) you're on the other side
Talking to the moon?	Talking to me too
(Ah ah ah)	Or am I a fool
I'm feeling (3) (4) famous	Who (10) alone
The talk of the town	Talking to the moon
They say I've gone mad	(Oh oh oh)
Yeah I've gone mad	I know you're somewhere out there
But (5) don't know what I know	Somewhere far away
Cause when the sun (6) down	
Someone's talking back
