

Fill in the gaps

bones

Sunday morning rain is falling	That may be all I need
Steal some covers (1) some skin	In darkness she is all I see
Clouds are (2) us in moments	Come and (17) (18)
unforgettable	(19) me
You (3) to fit the mold that I am in	Driving (20) on Sunday morning
But (4) just get so crazy	And I never (21) to leave
Living life gets (5) to do	But things (22) get so crazy living
And I would (6) hit the road	Life gets (23) to do
Get up and go if I knew	Sunday morning rain is falling
That someday it (7) lead me (8) to	And I'm (24) out to you
you	Singing someday
That someday it would lead me (9) to you	It'll (25) me back to you
(Someday)	Find a way to bring myself back home to you
That may be all I need	And you may not know
In darkness she is all I see	That may be all I need
Come and (10) (11) bones with me	In (26) she is all I see
Driving slow on Sunday morning	Come and rest your bones (27) me
And I never want to leave	Driving slow on Sunday morning
Fingers trace your every outline (oh yeah)	Driving slow (ah yeah yeah)
Paint a (12) my hands	
Back and forth we (14) like	
(15) in a storm	
Change the weather	
Still together (16) it ends
