

Fill in the gaps

	Would you tell me I was wrong?
Seems (1) it was yesterday	Would you help me understand?
When I saw your face	Are you (13) down upon me?
You (2) me how (3) you were	Are you proud of who I am?
But I walked away	There's nothing I wouldn't do
If only I (4) what I (5) today	To have just one more chance
I would hold you in my arms	To look into your (14) and see you
I would take the (6) away	(15) back
Thank you for all you've done	(Oh) I'm (16) for blaming you
Forgive all your mistakes	For (17) I (18) couldn't
There's nothing I wouldn't do	do
To (7) your (8) again	And I've hurt (19) (Oh)
Sometimes I (9) call you	If I had (20) one (21) day
But I (10) you won't be there	I (22) tell you how much (23) I've
(Oh) I'm sorry for (11) you	(24) you
For everything I just couldn't do	Since you've (25) away
And I've hurt (12) by hurting you	(Oh) It's dangerous
Some days I feel broke inside	It's so out of line
But I won't admit	To try and (26) back time
Sometimes I just wanna hide	I'm sorry for blaming you
'Cause it's you I miss	For everything I just couldn't do
And it's so hard to say goodbye	And I've hurt myself
When it comes to this	By hurting you
