

## Fill in the gaps

The future's open wide

Moving forward using all my breath
Making love to you was never second best
I saw the world thrashing all around your face
Never really knowing
It was always mesh and lace
I'll stop the world and melt with you
You've seen the difference
And it's getting better all the time
There's nothing you and I won't do
I'll stop the world and melt with you
You should (1) better
Dream of better lives
The (2) which never hate

What I'm comprehending a race that long gone bye
