Fill in the gaps

She's blood, flesh and bone		High above me, she's so lovely	
No tucks or silicone		She's so high	
She's touch, smell, sight, taste and sound		Like Cleopatra, Joan of Arc, or Aphrodite

That (2)	should happen	High above me	
know where I belong		She (6) to (7) to me	
And nothing's gonna happen		I freeze immediately	
Yeah, yeah		'Cause what she says (8) so unreal	
Cause she's so high		But somehow I can't believe	
High above me, she's so lovely		That anything should happen	
She's so high		I know where I belong	
Like Cleopatra, (3) of Arc, or Aphrodite		And nothing's gonna happen	
She's so high		Yeah, yeah, yeah	
High above me		'Cause she's so high	
First (4) and fancy free		High above me, she's so lovely	
She's high society		She's so high	
She's got the best of everything		Like Cleopatra, Joan of Arc, or (9)	(ol
What could a guy like me		yeah)	
Ever really offer?		She's so high	
She's perfect as she can be		High above me
