

## Fill in the gaps

You say you (1) someone			
But (2) does			
I'm no different (3) you			
I (4) believe what I do			
You point your (5) at			
Everyone but yourself			
And blame the ones (6) you love			
Who're only try'n to help			
As it's winding down to zero			
I am (7) like a hero			
I'll see this through			
There's so much me and you			
Take (8) enemy together			
Fight these demons off forever			
Forever, forever			
5, 4, 3, 2, 1			
I won't (9) until (10) done			
No curtain call, I will not fall			
This may be the one we've been waiting for			
No (11) take it all			
I have no (13) for fear			
Or people in my ear			
Head down and running so fast			
Try not to dwell on the past			
I'm fighting (14) (15) pain			
And things I cannot change			
Running right into the flame			
Rather than running away			
As it's (16) down to zero
