

Fill in the gaps

You say you need someone	I am yours like a hero
But everybody does	I'll see this through
I'm no different than you	There's so much me in you
I just believe what I do	Take this enemy together
You point (1) finger at	Fight these demons off forever
Everyone but yourself	Forever, forever
And blame the ones that you love	5, 4, 3, 2, 1
Who're only try'n to help	I won't stop until it's done
As it's winding down to zero	No curtain call, I will not fall
I am yours like a hero	This may be the one we've been waiting for
I'll see this through	No curtain call, just take it all
There's so much me and you	Sweat drips (7) from every angle
Take this enemy together	Love your body as it (8) in a pool by
Fight these demons off forever	(9) feet
Forever, forever	You turn up the heat
5, 4, 3, 2, 1	Tossin' and turnin', you cannot sleep
I (2) stop until it's done	Quietly weep, you're in too deep
No curtain call, I will not fall	5, 4, 3, 2, 1
This may be the one (3) been	I won't stop until it's done
(4) for	No curtain call, I will not fall
No curtain call, just take it all	This may be the one we've been waiting for
I have no time for fear	No curtain call, just take it all
Or people in my ear	5, 4, 3, 2, 1
Head (5) and running so fast	I won't stop until it's done
Try not to dwell on the past	No curtain call, I will not fall
I'm fighting through this pain	This may be the one we've been waiting for
And things I cannot change	No curtain call, (10) take it all
Running right into the flame	
Rather than running away	
As it's (6) down to zero
