

Keeping everything inside

Fill in the gaps

've (1) the needle and the thread		Close my (8) and listen to you cry
Weaving figure eights and circles round your he	ead	I'm lifting you up
try to laugh but cry instead		I'm letting you down
Patiently wait to hear the words you've (2)	said	I'm (9) til dawn
Fumbling through your dresser drawer		I'm fooling around
Forgot what I was looking for		I'm not giving up
Try to (3) me in the (4)	direction	I'm making your love
Making use of all this time		This city's made us crazy and we must get out
Keeping everything inside		There's only so much I can do for you
Close my eyes and listen to you cry		After all of the things you've put me through
'm lifting you up		I'm lifting you up
'm letting you down		I'm letting you down
'm dancing til dawn		I'm dancing til dawn
'm (5) around		I'm fooling around
'm not giving up		I'm not (10) up
'm making your love		I'm making your love
This city's made us crazy and we (6)	get out	This city's made us crazy and we must get out
Oh yeah		I'm lifting you up
This is not goodbye she said		I'm letting you down
t is just (7) for me to rest my head		I'm dancing til dawn
She does not walk she runs instead		I'm fooling around
Down these jagged streets and into my bed		I'm not giving up
When I was		I'm making your love
Fumbling through your dresser drawer		This city's made us crazy and we must get out
Forgot what I was looking for		(Oh oh oh)
Try to guide me in the right direction
