

Fill in the gaps

Over My Shoulder by Mike and The Mechanics

Looking back over my shoulder	Cos I can fell you slipping (13) my fingers
I can see that (1) in your eye	I don't (14) (15) the reason why
I never dreamed it could be over	Every day It's a (16) battle (17) to
I never wanted to say goodbye	smile
Looking (2) my shoulder	And (18) my head up high
With an aching deep in my heart	Could it be that we belong together
I wish that we were starting over	Baby won't you give me one more try
Oh (4) of drifting so far apart	On more try
Everybody told me you (5) leaving	Looking back (19) my shoulder
Funny I should be (6) to know	I can see that look in your eye
Baby please tell me that I'm dreaming	I (20) dreamed it (21) be over
I just never want to let you go	I never wanted to say goodbye
Looking (7) (8) my shoulder	Looking back (22) my shoulder
I can see that (9) in your eyes	(Oh with an aching feeling inside
Turning my heart (10) and over	Cutting me up, (23) and deeper
I never wanted to say goodbye	Fills me with a sadness that I can't hide
I don't mind (11) laughing	Looking back)
But it's enough to (12) a grown man cry
