All Around The World by Oasis

You've gotta spread the word

Fill in the gaps

It's a bit early in the midnight hour for me	Tell 'em (17) you've heard	
To go through all the things that I want to be	We're gonna make a (18) day	
I don't (1) in everything I see	Cos all around the world	
You know I'm blind so why do you disagree?	You've got to (19) the word	
Take me (2) 'cause I just don't want to stay	Tell 'em (20) you've heard	
And the (3) you make me say	You know it's gonna be okay	
Are (4) deeper every day	It's gonna be okay	
These are crazy (5) but they make me shine	It's gonna be okay	
Time keeps rolling by	It's gonna be okay	
All around the world	It's gonna be okay	
You've gotta spread the word	All around the world	
Tell 'em what you've heard	You gotta spread the word	
You're (6) a better day	Tell 'em what you've heard	
All around the world	You're gonna (21) a (22) day	
You've gotta spread the word	So all around	
Tell 'em what you've heard	You gotta spread the word	
You know it's gonna be okay	Tell them (23) you heard	
Whatcha gonna do	You know it's gonna be okay	
When the walls come falling down?	Around the world	
You never move you never make a sound	You gotta spread the word	
Where you (8) swim	Tell 'em what you've heard	
With the ridges (9) you found?	You're gonna make a better day	
If you're lost at sea then I (10) that you've drowned	Around the world	
Take me away 'cause I (11) don't want to stay	You gotta spread the word	
All the lies you make me say	Tell (24) (25) you heard	
Are getting deeper every day	You know it's gonna be okay	
These are crazy days but they make me shine	And I know, what I know	
Time keeps rolling by	What I know, what I know	
All (12) the world	Yeah I know, what I know	
You've gotta spread the word	It's gonna be okay	
Tell 'em what you've heard	And I know, what I know	
You're (13) make a (14) day	What I know, what I know	
And all (15) the world	Yeah I know, what I know	
You've gotta spread the word	Pigs don't fly never say die	
Tell them what you heard	So (26) are (27) fly, you n	eve
You know it's (16) be okay	say die	
All around the world	So things are gonna fly, you never say die	

1. believe
