Slow (5)_____ come

Fill in the gaps

Slow Cheetah by Red Hot Chili Peppers

Waking up dead inside of my head		Before my forest
Will (1)	never do there is no med	Looks like it's on today
No medicine to take		Slow cheetah come
've had a chance to be insane		It's so euphoric
Asylum from the falling rain		No matter what they say
ve had a chance to break		Everyone has
t's so bad it's got to be good		So much to say
Mysterious girl misunderstood		They talk, talk, talk
Dressed like a wedding cake		Their lives away
Any other day and I might play		Don't even hesitate
A funeral march for Bonnie Brae		Walking on down
Why try and run away		To the burial ground
Slow (2)	come	It's a very old dance
Before my forest		With a merry old sound
_ooks like it's on toda	ay	Looks (6) it's on today
Slow cheetah come		Slow cheetah come
t's so euphoric		Before my forest
No (3)	_ what they say	Looks like it's on today
know a girl		Slow cheetah come
She (4)	in a store	It's so euphoric
She knew not what		No matter (7) they say
Her life was for		Slow (8) come
She barely knew her name		Before my forest
They tried to tell her		Looks like it's on today
She would never be		Slow cheetah come
As happy as the girl		It's so euphoric
n the magazine		No matter what (9) say
She bought it with her pay
