Slow (14)\_\_\_\_\_ come

# Fill in the gaps

### Slow Cheetah by Red Hot Chili Peppers

Waking up dead inside of my head	Before my forest
Will (1) never do (2) is no me	d Looks like it's on today
No medicine to take	Slow (15) come
I've had a (3) to be insane	It's so euphoric
Asylum from the (4) rain	No matter what (16) say
I've had a chance to break	Everyone has
It's so bad it's got to be good	So (17) to say
Mysterious (5) misunderstood	They talk, talk, talk
Dressed like a (6) cake	Their lives away
Any other day and I might play	Don't (18) hesitate
A funeral march for Bonnie Brae	Walking on down
Why try and run away	To the burial ground
Slow cheetah come	It's a very old dance
Before my forest	With a merry old sound
Looks (7) it's on today	Looks like it's on today
Slow cheetah come	Slow cheetah come
It's so euphoric	Before my forest
No matter what (8) say	Looks like it's on today
I know a girl	Slow cheetah come
She worked in a store	It's so euphoric
She knew not what	No (19) what they say
Her (9) was for	Slow cheetah come
She barely knew her name	Before my forest
They tried to (10) her	Looks like it's on today
She (11) be	Slow (20) come
As (13) as the girl	It's so euphoric
In the magazine	No (21) (22) (23) say
She bought it with her pay
