Otherside (Live) by Red Hot Chili Peppers

How long, how long (1)	I slide	Push the trigger and pull the thread
Separate my side I don't		I've got to take it on the other side
I don't (2) it's	bad	Take it on the (7) side
Slit my throat		Take it on
It's all I ever		Take it on
I heard your voice (3)	a photograph	How long, how long will I slide
I thought it up it (4)	up the past	Separate my side, this time, I don't
Once you know you can never go back		I don't (8) it's bad
I've got to take it on the other side		Slit my throat
Centuries are what it meant to me		It's all I ever
A cemetery (5) I marry the sea		Turn me on take me for a hard ride
Stranger things could never change my mind		Burn me out leave me on the other side
I've got to take it on the other side		I yell and tell it that
Take it on the other side		It's not my friend
Take it on		I tear it down, I tear it down
Take it on		And then it's born again
How long how long will I slide		How long, how long will I slide
Separate my side I don't		Separate my side I don't
I don't believe it's bad		I don't believe it's bad
Slit my throat		Slit my throat
It's all I ever		It's all I ever
Pour my life into a paper cup		How long I don't
The ashtray's full and I'm spillin' my guts		I don't believe it's bad
She wants to (6) am I still a slut		Slit my (9) It's all I ever
I've got to take it on the other sid	de
