## Wet Sand by Red Hot Chili Peppers

My shadow's side so amplified	I thought (14) it and I (15) it
Keeps coming (1) dissatisfied	out
Elementary son, but it's so	I'm motivated by the lack of doubt
My love (2) with everywhere	I'm consecrated but I'm not devout
Was (3) why do you care	The mother, the father, the daughter
Someone start the car, time to go	Right on the verge just one (16) dose

I'd like to say we did it for the better of	(Oh) You don't form in the wet sand
I saw you there so unaware	You don't form at all
Those hummingbirds all in (10) hair	(Woah) You don't form in the wet sand
Elementary son, but it's so	I do, yeah
The disrepair of Norma Jean	You don't (25) in the wet sand
Could not (11) to your routine	You don't form at all
Balarama beauty (12) toe to toe	(Woah) You don't form in the wet sand
My, what a good day for let it slide	I do, yeah
I'd like to say we did it for the (13) of
