

Try to forget me and just move on

Fill in the gaps

Calling all (1) we've got another victim	So will you scatter my ashes
Cause my (2) has become an affliction	Where they won't be found?
What did you expect (3) me?	I kept my (16) and you hate me for it now
What did you expect from me?	But you knew all along
I'm sorry but I think I failed to mention	Try to (17) me and just move on
That I (4) at my very first confession	I don't
What did you expect from me?	Have love left
What did you expect from me?	Inside
Cause this has (5) building	Inside
Since I have been breathing	And I don't
And I (6) how it's going to end	Have love left
So will you scatter my ashes	Inside
Where they won't be found?	Inside
I kept my word	Are you desperate for an answer?
When I swore that I (7) let you down	I don't (18) an ounce of (19) left in me
And now that I'm gone	now
Try to (8) me and just move on	Thats why I (20) out
So (9) you (10) my ashes	So will you scatter my ashes
Where they won't be found?	Where they won't be found?
I (11) my word and you hate me for it now	I (21) my word
But you knew all along	When I swore that I (22) let you down
Try to (12) me and just move on	And now that I'm gone
Oh my dear what have I gone and done now?	Try to forget me and just (23) on
It's curtain call, I'm about to take my last bow	So (24) you scatter my ashes
What did you expect from me?	Where they won't be found
What did you expect from me?	I kept my word and you hate me for it now
Without giving away	You hate me for it now
The entire ending	Try to forget me and just move on
I (13) the evening again	I am not the one that you (25) blame
So will you scatter my ashes	So take what I (26) you for the pain
Where (14) won't be found?	I am not the one (27) you should blame
I kept my word	So take what I left you for the pain
When I swore that I (15) let you down	And do your best to forget my name
And now that I'm gone
