Calling all cars we've got another victim
'Cause my love has become an affliction
What did you expect from me?
What did you expect from me?
I'm (1) but I think I failed to mention
That I lied at my very first confession
What did you expect from me?
What did you expect (2) me?
'Cause this has been building
Since I have (3) breathing
And I know how it's going to end
So will you scatter my ashes
Where they won't be found?
I kept my word
When I swore that I would let you down
And now that I'm gone
Try to forget me and just move on
So will you scatter my ashes
Where they won't be found?
I kept my word and you hate me for it now
But you knew all along
Try to forget me and just move on
Oh my dear what have I gone and done now?
It's curtain call, I'm about to take my last bow
What did you expect from me?
What did you expect from me?
Without (4) away
The entire ending
I ruined the evening again
So will you scatter my ashes
Where they won't be found?
I kept my word
When I (5) that I would let you down
And now that I'm gone

Try to forget me and just move on
