The Garden by Take That

And the fishermen came back across the water
And the people started running in the park
And the city stopped, as I held you in my arms
We could hear the sound of sirens all around us
And the scent of burning oil was in the air
And the music played
And it felt so good to hear

So open (2)_____ mind and start living

and he is speaking
As the tear from every cloud begin to fall
For one moment then, we understood it all

coming
Everyone, everyone, every man and every women

So come on, let me love you
This is the life we've been given
So open your mind and start living
We can play a part if we only (3)_____ (4)_____ (5)_____ is the

the horizon
A (7)_____ people walking back to work
But you and me, we just lay down in the garden
