

## Fill in the gaps

I feel like I've (1) put on trial with you	You're gonna be lonely
I know that something's wrong	How can you treat like that
And I'm the one accused	When I give my all to you
When the verdicts in, it's us who's gonna lose	Cause I haven't been messin' around
I can't wait for you to finally hear the truth	And I would never go out
Cause I shouldn't have to plead my case	And do the (7) you don't want me to do
So much love to save	Cause I could tell you right now
If you listen to the things that your friends say	That you will never find the evidence on me
You're gonna be lonely	And that's the truth
How can you treat (2) that	Oh, oh, oh, yeah
When I give my all to you	And that's the truth
Cause I haven't been messin' around	Oh, oh, oh
I would never go out	That's the truth
And do the things you don't want me to do	Cause I shouldn't have to prove my case
Cause I can tell you right now	So much love to save
That you (3) never find the evidence on me	Save, save, save
And that's the truth	If you listen to the things that your friends say
Oh, oh, yeah	You're gonna be lonely
And that's the truth	How can you treat like that
Oh, oh, oh, oh	When I (8) my all to you
I need a lawyer just to talk	Cause I haven't been messin' around
Cause they're tellin' you what to say	And I (9) never go out
They wish they had what we have	And do the things you don't want me to do
And its jealousy thats in the way	Cause I (10) tell you right now
Cause I can't sit round	That you will never find the evidence on me
And watch them build a case	And that's the truth
Cause theres no savin' us now	Oh, oh, oh, yeah
I'm just doing (4) to clear my name	And that's the truth
Cause I shouldn't (5) to plead my case	Oh, oh, oh, oh
So much love to save	
If you listen to the (6) that your friends say
