And you wonder

## Lemon Tree (Dance Remix) by Fool's Garden

'm sitting here in the boring room	I wonder how
t's just another rainy sunday afternoon	I wonder why
'm wasting my time I've got nothing to do	Yesterday you told me about the blue blue sky
'm hanging around, I'm waiting for you	And all that I can see
But nothing ever happens	Is just another lemon tree
And I wonder	I'm turning my head up and down
'm driving (1) in my car	I'm turning turning (7) turning turning
'm driving too fast I'm driving too far	around
'd like to change my point of view	And all that I can see
feel so lonely, I'm waiting for you	Is just a yellow lemon tree
But nothing ever happens	Sing!
And I wonder	Da, da da da da, di da da
wonder how	Da da da, di da da
wonder why	Da di di da da
Yesterday you told me about the blue blue sky	Da, da da da da, di da da
And all that I can see	Da da da, di da da
s (2) a yellow lemon tree	Da di di di da da
'm turning my head up and down	I wonder how
m turning turning turning turning around	I wonder why
And all that I can see	Yesterday you told me about the blue blue sky
s (3) another lemon tree	And all that I can see
Sing!	Is (8) a yellow lemon tree
Da, da da da da, di da da	I'm turning my head up and down
Da da da da, di da da	I'm (9) turning turning turning turning
Da di di di da da	around
'm sitting here I miss the power	And all that I can see
'd like to go out, taking a shower	Is just a yellow lemon tree
But there's a heavy cloud inside my head	And I wonder, I wonder
feel so tired, put myself into bed	I wonder how
Where (4) (5) happens	I wonder why
And I wonder	Yesterday you told me about the blue blue sky
'm stepping around in the desert of joy	And all (10) I can see
Baby anyhow I'll get (6) toy	And all that I can see
And everything will happen	And all that I can see
