And you wonder

## Lemon Tree (Dance Remix) by Fool's Garden

I'm sitting here in the boring room	I wonder how
It's just another rainy sunday afternoon	I wonder why
I'm wasting my time I've got nothing to do	Yesterday you told me about the blue blue sky
I'm hanging around, I'm waiting for you	And all that I can see
But nothing ever happens	Is just another lemon tree
And I wonder	I'm (4) my head up and down
I'm driving around in my car	I'm turning turning (5) turning
I'm driving too fast I'm (1) too far	(6) around
I'd like to (2) my point of view	And all that I can see
I feel so lonely, I'm waiting for you	Is just a yellow lemon tree
But nothing ever happens	Sing!
And I wonder	Da, da da da da, di da da
I wonder how	Da da da, di da da
I wonder why	Da di di di da da
Yesterday you told me about the blue blue sky	Da, da da da da, di da da
And all that I can see	Da da da, di da da
Is just a yellow lemon tree	Da di di di da da
I'm turning my head up and down	I wonder how
I'm turning turning turning turning around	I wonder why
And all (3) I can see	Yesterday you told me about the blue blue sky
Is just another lemon tree	And all that I can see
Sing!	Is just a (7) lemon tree
Da, da da da, di da da	I'm (8) my head up and down
Da da da, di da da	I'm turning turning turning turning around
Da di di da da	And all that I can see
I'm sitting here I miss the power	Is just a yellow (9) tree
I'd like to go out, taking a shower	And I wonder, I wonder
But there's a heavy cloud inside my head	I wonder how
I feel so tired, put myself into bed	I wonder why
Where nothing ever happens	Yesterday you told me about the blue blue sky
And I wonder	And all (10) I can see
I'm stepping around in the desert of joy	And all that I can see
Baby anyhow I'll get another toy	And all that I can see
And everything will happen	Is just a yellow lemon tree
