

## Fill in the gaps

Cold and frosty morning	In the (6) of my life
There's not a lot to say	Cos I need more time
About the things caught in my mind	Yes I need more time just to make things right
And as the day was dawning	Me and you what's (7) on
My plane flew away	All we seem to know is how to show
With all the things caught in my mind	The feelings that I wrote
I don't wanna be (1) when your, coming down	So don't go away
I don't wanna be ther when you hit the ground	Say what you say
So don't go away	Say that you'll stay
Say what you say	Forever and a day
Say that you'll stay	In the time of my life
Forever and a day	Cos I need more time
In the (2) of my life	Yes I need more time just to make things right
Cos I (3) more time	And don't go away
Yes I need more time just to make things right	Say what you say
Damn my situation and the games I (4) to play	Say that you'll stay
With all the things caught in my mind	Forever and a day
Damn my education I can't find the words to say	In the time of my life
With all the things (5) in my mind	Cos I (8) more time
I don't wanna be there when your coming down	Yes I (9) more time just to make things right
I don't wanna be there when you hit the ground	Yes I need more time just to make things right
So don't go away	Yes I need more time just to make things right
Say what you say	So don't go away
Say that you'll stay	
Forever and a day
