

Fill in the gaps

Cold and frosty morning	In the time of my life
There's not a lot to say	Cos I need more time
About the things caught in my mind	Yes I need (9) time just to (10) things
And as the day was dawning	right
My plane flew away	Me and you what's going on
With all the things (1) in my mind	All we seem to know is how to show
I don't wanna be there (2) your, coming down	The (11) that I wrote
I don't wanna be ther (3) you hit the ground	So don't go away
So don't go away	Say (12) you say
Say what you say	Say that you'll stay
Say that you'll stay	Forever and a day
Forever and a day	In the time of my life
In the time of my life	Cos I need more time
Cos I need more time	Yes I need more time just to (13) things right
Yes I need more (4) just to (5) things	And don't go away
right	Say what you say
Damn my situation and the games I have to play	Say (14) you'll stay
With all the things caught in my mind	Forever and a day
Damn my education I can't find the words to say	In the time of my life
With all the things caught in my mind	Cos I need more time
I don't wanna be there (6) your (7)	Yes I (15) time (17) to
down	make things right
I don't wanna be there (8) you hit the ground	Yes I need more (18) just to (19) things
So don't go away	right
Say what you say	Yes I need (20) (21) just to
Say that you'll stay	(22) things right
Forever and a day	So don't go away
