

## Fill in the gaps

Cold and frosty morning	In the time of my life
There's not a lot to say	Cos I need more time
About the things caught in my mind	Yes I need more time just to make (6) right
And as the day was dawning	Me and you what's going on
My plane flew away	All we seem to know is how to show
With all the things caught in my mind	The feelings that I wrote
I don't wanna be (1) your, coming	So don't go away
down	Say (7) you say
I don't wanna be ther when you hit the ground	Say that you'll stay
So don't go away	Forever and a day
Say (3) you say	In the time of my life
Say that you'll stay	Cos I need more time
Forever and a day	Yes I need more time just to make things right
In the time of my life	And don't go away
Cos I need more time	Say what you say
Yes I need more time just to make things right	Say that you'll stay
Damn my situation and the games I have to play	Forever and a day
With all the things caught in my mind	In the time of my life
Damn my education I can't find the words to say	Cos I need more time
With all the things caught in my mind	Yes I need more time just to make (8) right
I don't wanna be there when your (4) down	Yes I (9) more time (10) to make thing
I don't wanna be there (5) you hit the ground	right
So don't go away	Yes I need more time just to make things right
Say what you say	So don't go away
Say that you'll stay	
Forever and a day
