Fill in the gaps

Drop The World by Lil Wayne & Eminem

got ice in my veins
Blood in my eyes
Hate in my heart
Love in my mind
seen nights full of pain
Days of the same
ou (1) the sunshine
Save me the rain
search but never find
Hurt but never cry
work and forever try
But I'm cursed so never mine
And it's worse but better times
Seems further and beyond
The top gets higher the more that I climb
The spot gets smaller and I get bigger
Tryna get me where I fit in
No room for a ***** but soon for a **** it be on
****** cause
All this ******* have made me strong, *********
So I pick the world up and
ma drop it on your ****** head
eah, (2) I'ma pick the world up and
'ma drop it on your ****** head
eah, and I can die no rebirth now ***********
Hop up in my spaceship and leave earth ************************************
'm gone, *********
'm gone
know what they don't wanna tell you
