## Don't Tell Me by Avril Lavigne

## Fill in the gaps

You held my hand and walked me home	Yeah, that's what I said
I know	Did I not tell you that I'm not like (4) girls?
While you gave me that (1) it was something like	The one who throws it all away
this	Did you think that I was gonna give it up to you
It made me go, oh oh	This time?
You wiped my tears, got rid of all my fears	Did you think that I was something I was gonna do
Why did you have to go?	And cry?
Guess it wasn't enough to take up some of my love	Don't try to tell me what to do
Guys are so hard to trust	Don't try to tell me what to say
Did I not tell you that I'm not (2) that girls?	You're better off that way, yeah
The one who gives it all away, yeah	This guilt (5) that you put me on won't
Did you think that I was gonna give it up to you	Mess me up but you're no wrong
This time?	Any thoughts of you and me (6) gone away
Did you think that I was something I was gonna do	Did you think that I was gonna give it up to you
And cry?	This time?
Don't try to tell me what to do	Did you (7) that I was something I was gonna do
Don't try to tell me what to say	And cry?
You're better off that way	Don't try to tell me what to do
Don't think that your charm and the fact that your arm	Don't try to tell me what to say
Is now around my neck	You're better off (8) way, yeah (better off that way)
I got you in my pants I'll have to kick your ass	I'm better off alone anyway
And (3) you never forget	
I'm gonna ask you to stop, thought I liked you a lot	
But I'm really upset	
Get out of my head, get off of my bed
