Across The Universe by The Beatles

Fill in the gaps

Nothing's gonna change my world

Words are flying out Like endless rain into a paper cup They slither while they pass They slip away across the universe Pools of sorrow waves of joy Are drifting thorough my open mind Possessing and caressing me (Jai guru deva om...) Nothing's gonna change my world Nothing's (1)_____ change my world Nothing's gonna change my world Nothing's (2)_____ change my world Images of broken light Which dance before me like a million eyes That call me on and on across the universe Thoughts meander like a restless (3)_____ inside a letter box They tumble blindly

As they make their way across the universe

(Jai (4)_____ deva om...)

Nothing's gonna change my world

Nothing 5 gorina change my world
Nothing's gonna change my world
Nothing's (5) change my world
Sounds of laughter shades of life
Are ringing through my open ears
Exciting and inviting me
Limitless undying love
Which (6) around me like a million suns
It (7) me on and on across the universe
(Jai guru deva om)
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's (8) change my world
(Jai guru deva)
(Jai guru deva)
(Jai guru deva)
