## You Give Me Something by James Morrison

You want to stay with me in the morning	But I'm willing to give it a try
You only (1) me (2) I sleep	Please give me something
I was meant to tread the water	'Cause (13) I (14) call you
Now I've (3) in too deep	from my heart
For every piece of me that (4) you	But it might me a second too late
Another piece backs away	And the words that I could never say
'Cause you (5) me something	Gonna (15) out anyway
That makes me scared, alright	'Cause you (16) me something
This could be nothing	That (17) me scared, alright
But I'm willing to (6) it a try	This could be nothing
Please (7) me something	But I'm willing to give it a try
'Cause (8) I might know my heart	Please give me something
You already (9) up for hours	'Cause you give me something
Just to spend a little time (10) with me	That makes me scared, alright
And I can say I've never bought you flowers	This could be nothing
I can't work out what they mean	But I'm willing to give it a try
I never (11) that I'd love someone	Please give me something
That was someone else's dream	'Cause someday I (18) (19) my heart
'Cause you give me something	Know my heart, (20) my heart, know my heart
That makes me scared, alright	
This (12) be nothing
