

This could be nothing

Fill in the gaps

You Give Me Something by James Morrison

You want to stay with me in the morning	But I'm (7) to give it a try
You only hold me when I sleep	Please give me something
I was meant to (1) the water	'Cause someday I might call you from my heart
Now I've gotten in too deep	But it might me a second too late
For every piece of me that wants you	And the words that I could (8) say
Another piece backs away	Gonna come out anyway
'Cause you give me something	'Cause you give me something
That makes me scared, alright	That makes me scared, alright
This (2) be nothing	This could be nothing
But I'm (3) to give it a try	But I'm willing to give it a try
Please give me something	Please give me something
'Cause someday I might know my heart	'Cause you give me something
You (4) (5) up for hours	That makes me scared, alright
Just to (6) a little time alone with me	This could be nothing
And I can say I've never bought you flowers	But I'm (9) to give it a try
I can't work out what they mean	Please give me something
I never thought that I'd love someone	'Cause someday I might know my heart
That was someone else's dream	Know my heart, (10) my heart, know my heart
'Cause you give me something	
That makes me scared, alright
