I've been all around this town

Fill in the gaps

Under Cover Of Darkness by The Strokes

Slip back out of whack at your best		Everybody's been singing the same	(4)	for ten
It's a nightmare		years		
So I'm (1) the army		I'll wait for you		
Know how folks back out, I still call		Will you (5) for me too?		
Will you wait for me now?		And they sacrifice their lives		
We got the righteous advice to use it		In the land are all closed eyes		
Got (2)	but you can just choose it	I've been saying it a (6)	times	
I won't tie me a puppet on a string		And I'll say it again		
Don't go that way		So long, my adversary and friend		
I'll wait for you		Don't go that way		
And I'm tired of all your friends		I'll wait for you		
Listening at your door		I'm tired of all your friends		
And I want what's better for you		Knocking down your door		
So long my friend and adversary		Get up in the morning, give it your all		
But I'll wait for you		So long my friend and adversary		
Get dressed (3) out of bed and do it best		I'll wait for you		
Are you ok?
