

I've been all around this town

Fill in the gaps

Under Cover Of Darkness by The Strokes

Slip back out of (1) at your best	Everybody's been singing the same song for ten years
It's a nightmare	I'll wait for you
So I'm joining the army	Will you (4) for me too?
Know how folks back out, I still call	And they sacrifice their lives
Will you wait for me now?	In the land are all (5) eyes
We got the righteous advice to use it	I've been saying it a billion times
Got everything but you can just (2) it	And I'll say it again
I won't tie me a puppet on a string	So long, my adversary and friend
Don't go that way	Don't go that way
I'll wait for you	I'll wait for you
And I'm tired of all your friends	I'm (6) of all (7) friends
Listening at your door	Knocking down (8) door
And I want what's better for you	Get up in the morning, give it your all
So (3) my friend and adversary	So long my friend and adversary
But I'll wait for you	l'll (9) for you
Get dressed jump out of bed and do it best	
Are you ok?
