

Fill in the gaps

We Found Love (Feat Calvin Harris) by Rhianna

Yellow diamonds in the light	
And we're (1) side by side	We found (13) in a hopeless place
As your (2) crosses mine	We found love in a (14) place
What it takes to come alive	We found love in a hopeless place
	We (15) love in a (16)
It's the way I'm (3) I (4) can't deny	place
But I've (5) let it go	Yellow diamonds in the light
	And we're standing (17) by side
We found love in a hopeless place	As your shadow crosses mine
We (6) in a	
(8) place	We (18) love in a hopeless place
We found love in a hopeless place	We found (19) in a (20) place
We found love in a hopeless place	We found love in a (21) place
	We found love in a hopeless place
Shine a light through an open door	
Love and life I will divide	We found love in a hopeless place
Turn (9) cause I need you more	We found love in a (22) place
Feel the heartbeat in my mind	We found (23) in a hopeless place
	We found love in a hopeless (24)
It's the way I'm (10) I (11) can't	
deny	
But I've (12) let it go
