Now that she's back in the atmosphere	Was it everything you wanted to find	
With drops of Jupiter in her hair	And did you miss me while you were looking	
(Hey, hey, hey, hey)	For yourself out there	
She acts like summer and (1) rain	Can you imagine no love, pride, deep-fried chicken	
Reminds me that there's time to change	Your best friend always sticking up for you	
(Hey, hey, hey, hey)	Even when I know you're wrong	
Since the return from her (3) on the moon	Can you imagine no first dance	
She listens like spring and she talks like June	Freeze dried romance five-hour phone conversation	
(Hey, hey, hey, hey)	The best soy latte (18) you (19)	had
(Hey, hey, hey, hey)	and me	
Tell me did you sail (4) the sun	Tell me did the wind sweep you off your feet	
Did you make it to the milky way to see the lights all faded	Did you finally get the chance to dance (20)	the
And that (5) is overrated	light of day	
But tell me, did you fall for a shooting star	And head back toward the (21) way	
One without a (6) scar	Tell me did you sail across the sun	
And did you (7) me (8) you were	Did you make it to the milky way to see the lights all faded	
looking	And that heaven is overrated	
For yourself out there	Tell me, did you fall for a (22) sta	ır
Now that she's (9) from that soul vacation	One without a permanent scar	
Tracing her way (10) the constellation	And did you miss me while you (23) loo	oking for
(Hey, hey, hey)	yourself	
(Mmmm)	(Nah nah nah nah nah nah)	
She checks out Mozart (11) she does tae-bo	(Nah nah nah nah nah nah)	
Reminds me that there's room to grow	And did you finally get the chance	
(Hey, hey, hey yeah)	To (24) along the light of day	
Now that (12) back in the atmosphere	(Nah nah nah nah nah)	
I'm afraid that she (13) think of me as	(Nah nah nah nah nah)	
(14) ol jane	And did you fall for a shooting star	
Told a story about a man who is too afraid to fly	Fall for a (25) star	
So he never did land	(Nah nah nah nah nah)	
Tell me did the wind (15) you off your feet	(Nah nah nah nah nah)	
Did you finally get the chance to dance along the light of day	Are you lonely looking for (26) or	ut there
And (16) back to the milky way		
And (17) me, did Venus blow your mind
