My Happy Ending by Avril Lavigne

Fill in the gaps

Oh oh, oh oh	You were all the (12) I thought I knew
So much for my happy ending	And I thought we could be
Oh oh, oh oh	You were everything, everything that I wanted
So (1) for my happy ending	We (13) meant to be, supposed to be, but we lost it
Oh oh, oh oh, oh oh	All of the memories, so close to me, just (14) away
Let's talk (2) over	All (15) time you were pretending
It's not like we're dead	So much for my happy ending
Was it something I did?	It's nice to know that you were there
Was it something you said?	Thanks for acting like you care
Don't leave me hanging	And making me feel like I was the only one
In a city so dead	It's nice to know we had it all
Held up so high	Thanks for watching as I fall
On such a breakable thread	And letting me know we were done
You were all the things I (3) I knew	You (16) everything, everything (17)
And I thought we could be	wanted
You were everything, everything (4) I wanted	We were meant to be, supposed to be, but we lost it
We were meant to be, supposed to be, but we lost it	All of the memories, so close to me, just fade away
All of the memories, so (5) to me, just fade away	All this time you were pretending
All this time you were pretending	So (18) for my happy ending
So much for my (6) ending	You (19) everything, everything that I wanted
Oh oh, oh oh	We (20) meant to be, supposed to be, but we lost it
So (7) for my (8) ending	All of the memories, so close to me, just fade away
Oh oh, oh oh	All this time you (21) pretending
You've got (9) (10) friends	So much for my happy ending
I know what they say	Oh oh, oh oh
They tell you I'm difficult	So much for my (22) ending
But so are they	Oh oh, oh oh
But they don't know me	So (23) for my (24) ending
Do they even know you?	Oh oh, oh oh, oh oh
All the things you hide from me	
All the (shit) (11) you do
