

We Are Golden by Mika

Teenage dreams in a teenage circus

Running around like a clown on purpose

Who gives a damn about the family you come from?

No giving up when you're young and you want some

Running around again

Running from running

Waking up in the midday sun

What's to live for?

You could see what I've done

Staring at emotion

In the light of day

I was running

From the things that you'd say

We are not what you (1)_____ we are

We are golden, we are golden

We are not (2)_____ you think we are

We are golden, we are golden

Teenage dreams in a teenage circus

Running around (3)_____ a clown on purpose

Who (4)_____ a damn (5)_____ the family you come from?

No giving up (6)_____ you're young and you want some

Running around again

Running from running

Running around again

Running (7)_____ running

I was a boy

At an open door

Why you staring?

Do you still think (8)_____ you know?

Looking for treasure

In the (9)_____ that you threw

Like a magpie

I (10)_____ for glitter, not you

We are not what you think we are

We are golden, we are golden

We are not what you (11)_____ we are

We are golden, we are golden

Teenage dreams in a (12)_____ circus

Running around like a clown on purpose

Who gives a damn about the (13)_____ you come from?

No giving up (14)_____ you're (15)_____ and you want some

Now I'm sitting alone

I'm finally looking around

Left here on my own

I'm (16)_____ to hurt myself

Maybe losing my mind

I'm still wondering why

Had to let the world

Let it bleed me dry

We are not (17)_____ you think we are, we are

We are not what you think we are

We are not (18)_____ you think we are

We are golden, we are golden

Teenage dreams in a teenage circus

Running (19)_____ like a clown on purpose

Who gives a damn (20)_____ the (21)_____ you (22)_____ from?

No giving up when you're young and you (23)_____ some

Running around again

Running from running

Running around again

Running from running

We are not (24)_____ you think we are

We are golden, we are golden

Fill in the gaps

Answer
