## We Are Golden by Mika

I live for glitter, not you

## Fill in the gaps

Teenage dreams in a teenage circus	We are not (6) you think we are
Running (1) like a clown on purpose	We are golden, we are golden
Who gives a damn (2) the family you come	We are not what you think we are
from?	We are golden, we are golden
No giving up when you're young and you want some	Teenage dreams in a teenage circus
Running around again	Running around like a clown on purpose
Running (3) running	Who gives a damn about the family you come from?
Waking up in the midday sun	No giving up (7) you're young and you want some
What's to live for?	Now I'm sitting alone
You could see what I've done	I'm finally looking around
Staring at emotion	Left here on my own
In the light of day	I'm going to hurt myself
I was running	Maybe losing my mind
From the things that you'd say	I'm still wondering why
We are not (4) you think we are	Had to let the world
We are golden, we are golden	Let it bleed me dry
We are not what you think we are	We are not what you think we are, we are
We are golden, we are golden	We are not what you think we are
Teenage dreams in a teenage circus	We are not what you think we are
Running around like a clown on purpose	We are golden, we are golden
Who gives a damn about the family you come from?	Teenage dreams in a teenage circus
No giving up when you're young and you want some	Running around like a clown on purpose
Running around again	Who gives a damn about the family you (8) from?
Running from running	No giving up when you're young and you want some
Running around again	Running (9) again
Running from running	Running from running
I was a boy	Running around again
At an open door	Running from running
Why you staring?	We are not (10) you think we are
Do you still think (5) you know?	We are golden, we are golden
Looking for treasure	
In the things that you threw	
Like a magpie
