

Fill in the gaps

I lie awake at night	To reach out for you in time
See (1) in black and white	Oh my pretty pretty boy I love you
I've only got you inside my mind	Like I never ever loved no one before you
You know you have made me blind	Pretty pretty boy of mine
I lie awake and pray	Just tell me you love me too (tell me you love me too)
That you will look my way	Oh my pretty pretty boy
I have all (2) longing in my heart	I need you
I knew it right from the start	Oh my pretty pretty boy I do
Oh my pretty pretty boy I love you	Let me inside
Like I never ever loved no one before you	Make me stay right beside you
Pretty pretty boy of mine	Oh pretty boy pretty boy
Just tell me you love me too	Say you love me too
Oh my pretty pretty boy	Oh my pretty pretty boy I love you
I need you	Like I never ever loved no one before you
Oh my (3) boy I do	Pretty pretty boy of mine
Let me inside	Just tell me you (10) me too (tell me you love me
Make me stay (5) beside you	too)
I used to write (6) name	Oh my pretty pretty boy
And put it in a frame	I need you
And (7) I think I hear you call	Oh my pretty pretty boy I do
Right from my bedroom wall	Let me inside
You stay a little while	Make me stay right beside you
And touch me (8) your smile	
And (9) can I say to make you mine
