

Fill in the gaps

Waiting For The End by Linkin Park

This is not the end
This is not the beginning
Just a (1)_____ (2)_____ a riot rocking every
revision
But you listen to the tone and the violent rhythm
Though the (3)_____ (4)_____ steady
Something's (5)_____ (6)_____ them
We say yeah
With fists flying up in the air
Like we're holding onto something that's invisible there
Cause we're living at the mercy of the pain and the fear
Until we dead it, forget it, let it all disappear
Waiting for the end to come
Wishing I had strength to stand
This is not (7)_____ I had planned
It's out of my control
Flying at the speed of light
Thoughts were spinning in my head
So many things were left unsaid
It's hard to let you go
I know what it takes to move on
I know how it feels to lie
All I want to do
Is trade this life for something new
Holding on to what I haven't got
Sitting in an empty room
Trying to forget the past
This was never meant to last
I wish it wasn't so

I know what it (8)_____ to move on
I know how it feels to lie
All I (9)_____ to do
Is trade this life for (10)_____ new
Holding on to (11)_____ I haven't got
What was left when (12)_____ fire was gone
I thought it felt right but (13)_____ right was wrong
All (14)_____ up in the eye of the storm
And trying to figure out what it's like moving on
And I don't even know what kind of things I said
My mouth kept moving and my (15)_____ (16)_____
dead
So I'm picking up the pieces, now where to begin
The hardest part of ending is (17)_____ again
All I want to do
Is trade this life for (18)_____ new
Holding on to what I haven't got...
This is not the end, this is not the beginning
Just a voice like a riot rocking (19)_____ revision
But you (20)_____ to the tone and the violent
rhythm
Though the words sound steady
Something's (21)_____ within them
We say yeah (22)_____ fists (23)_____ up in
the air
Like we're holding (24)_____ something that's
(25)_____ there
Cause we're living at the mercy of the (26)_____ and the
fear
Until we dead it, forget it let it all disappear

Answer

1. voice
2. like
3. words
