4 Seasons Of Loneliness by Boyz II Men

I long for the warmth of days gone by	And I imagine (6) you under the mistletoe
When you were mine	When springtime makes its way here
But now those days are memories in time	Lilac blooms reminds me of
Life's empty without you by my side	The scent of your perfume
My heart belongs to you no matter what I try	When summer burns with heat
When I get courage up to love somebody new	I always get the hots for you
It always falls apart cause they just can't compare to you	Go skinny dippin' in the ocean where we used to do
Your love won't release me I'm bound under ball and chain	When (7) sheds the leaves the trees are bare
Reminiscing our love as I watch four seasons change	When you're not here It doesn't feel the same
In comes the winter breeze	This loneliness
That chills the air and drifts the snow	Has crushed my heart
And I imagine kissing you under the mistletoe	Please let me love again
When springtime makes its way here	Cause I need (8) love to comfort me and ease my
Lilac blooms reminds me of	pain
The scent of your perfume	Or four seasons will bring the loneliness again
When summer burns with heat	In comes the winter breeze
I always get the (1) for you	That chills the air and drifts the snow
Go skinny dippin' in the ocean where we used to do	And I imagine kissing you under the mistletoe
When autumn sheds the leaves the trees are bare	When springtime makes its way here
When you're not here It doesn't feel the same	Lilac blooms reminds me of
(It doesn't feel the same)	The scent of your perfume
	When summer burns with heat
Remember the nights when we closed our eyes	I always get the hots for you
And vowed that you and I would be in (2) for all	Go skinny dippin' in the ocean where we used to do
time	When autumn (9) the leaves the trees are bare
Anytime I think about these things I shared with you	When you're not here It doesn't feel the same
I break down and cry (3) I get so emotional	(It doesn't feel the same)
Until you release me I'm bound under (4) and	Remember the warmth of days gone by
