## 4 Seasons Of Loneliness by Boyz II Men

I long for the warmth of days gone by	And I imagine kissing you under the mistletoe
When you were mine	When springtime makes its way here
But now (1) (2) are memories in time	Lilac (20) reminds me of
Life's empty without you by my side	The scent of your perfume
My heart belongs to you no matter (3) I try	When summer burns with heat
When I get (4) up to love somebody new	I always get the hots for you
It always falls apart cause they just can't compare to you	Go skinny dippin' in the ocean where we (21) to do
Your love won't release me I'm bound under (5)	When autumn (22) the leaves the trees are bare
and chain	When you're not here It doesn't feel the same
Reminiscing our love as I (6) four	This loneliness
(7) change	Has crushed my heart
In comes the (8) breeze	Please let me love again
That (9) the air and (10) the	Cause I need your love to comfort me and ease my pain
snow	Or four (23) will bring the
And I imagine kissing you under the mistletoe	(24) again
When springtime makes its way here	In comes the winter breeze
Lilac blooms reminds me of	That chills the air and drifts the snow
The scent of (11) perfume	And I imagine kissing you under the mistletoe
When summer (12) with heat	When springtime makes its way here
I (13) get the hots for you	Lilac blooms reminds me of
Go skinny dippin' in the ocean where we used to do	The scent of your perfume
When autumn (14) the leaves the trees are bare	When summer burns with heat
When you're not here It doesn't feel the same	I always get the hots for you
(It doesn't feel the same)	Go skinny dippin' in the ocean where we (25) to do
	When autumn sheds the leaves the trees are bare
Remember the nights when we (15) our eyes	When you're not here It doesn't (26) the same
And (16) that you and I would be in love for all	(It doesn't feel the same)
time	Remember the warmth of days gone by
Anytime I think about these (17) I shared with	
you	
I break down and cry cause I get so emotional	
Until you (18) me I'm bound under ball and	
chain	
Reminiscing our love as I (19) four seasons	
change	
In comes the winter breeze	
That chills the air and drifts the snow
