

Burnt all my bridges now I've run out of places

Fill in the gaps

Sometimes in life you (1) the fight is over	And there's (2) left for me to turn
And it seems as though the writings on the wall	Been caught in comprimising situations
Superstar you finally made it	I should have learnt
But once your picture becomes tainted	From all those times I didn't walk away
It's what they call	When I knew that it was best to go
The rise and fall	Is it too late to show you the shape of my heart
Sometimes in life you feel the fight is over	Sometimes in life you feel the fight is (3) (hmm
Over	yeah)
And it seems as though the writings on the wall	(Over, hmm yeah)
Yeah	And it seems as though the writings on the wall
Superstar you finally made it	(The writings on the wall)
But once your picture becomes tainted	Superstar you finally made it (oh yeah)
It's what they call	But once your picture becomes tainted
The rise and fall	It's what they (4) (it's what they call)
I always said that I was gonna make it	The rise and fall (the rise and fall)
Now it's plain for everyone to see	Now I know (now I know)
But this game I'm in don't take no prisoners	I made mistakes (I (5) mistakes)
Just casualties	Think I don't care
I know that everything is gonna change	But you don't realise what this means to me
Even the friends I knew before me go	So let me have
But this dream is the life I've been searching for	Just one more chance
Started believing that I was the greatest	I'm not the man I used to be
My life was never gonna be the same	Used to be (sometimes in life you feel the fight is over)
Cause with the money came a different status	And it seems as though the writings on the wall (be)
That's when things change	Superstar you finally made it (on the wall yeah)
Now I'm too concerned with all the things I own	But once your picture becomes tainted (oh oh yeah)
Blinded by all the pretty girls I see	It's what they call (it's what (6) call)
I'm beginning to lose my integrity	The rise and fall
Sometimes in life you feel the fight is over	Sometimes in life you feel the fight is over
Over	And it seems as (7) the writings on the wall
And it seems as though the writings on the wall	(yeah)
Yeah	Superstar you finally (8) it (oh)
Superstar you finally made it	But once (9) picture becomes tainted (oh)
But once your picture becomes tainted	It's what they call
It's what they call	The rise and (10) (fall)
The rise and fall	The rise and fall (sometimes in life you feel
I never used to be a troublemaker	the fight is over)
Now I don't even wanna please the fans	And it seems as though the writings on the wall
No autographs, no interviews, no pictures	Superstar you finally made it
And less demands (and less demands)	But once your picture becomes tainted (no no no yeah)
Given advice that was clearly wrong	It's what they call
The type that seems to make me feel so right	The rise and fall
But some things you may find can take over your life	(Hmm hmm)

- 1. feel
- 2. nowhere
- 3. over
- 4. call
- 5. made
- 6. they
- 7. though
- 8. made
- 9. your
- 10. fall
