

## Fill in the gaps

### White Flags (Live) by Dido

I know you think (1)\_\_\_\_\_ I shouldn't still love you  
Or tell you that  
But if I didn't say it, well I'd still have felt it  
Where's the sense in that?  
I promise I'm not (2)\_\_\_\_\_ to make your life harder  
Or return to where we were  
But I will go down with this ship  
And I won't put my hands up and surrender  
There will be no white flag above my door  
I'm in love and always will be  
I know I left too much mess and  
Destruction to come (3)\_\_\_\_\_ again  
And I caused nothing but trouble  
I understand if you can't talk to me again  
And if you live by the rules of "it's over"  
Then I'm sure that that makes sense  
But I will go down with this ship  
And I won't put my hands up and surrender  
There will be no white flag above my door  
I'm in love and always will be  
And when we meet

Which I'm sure we will  
All (4)\_\_\_\_\_ was there  
Will be there still  
I'll let it pass  
And hold my tongue  
And you will think  
That I've moved on...  
I will go (5)\_\_\_\_\_ with this ship  
And I won't put my hands up and surrender  
There will be no white flag above my door  
I'm in love and (6)\_\_\_\_\_ will be  
I will go down with this ship  
And I won't put my hands up and surrender  
There will be no white flag above my door  
I'm in love and always will be  
But I will go (7)\_\_\_\_\_ (8)\_\_\_\_\_ this ship  
And I won't put my hands up and surrender  
There will be no white flag above my door  
I'm in love (and always (9)\_\_\_\_\_ be)
