

Fill in the gaps

I (1) you think (2) I shouldn't still love	Which I'm (20) we will
you	All (21) was there
Or (3) you that	Will be there still
But if I didn't say it, (4) I'd still have (5) it	I'll let it pass
Where's the sense in that?	And hold my tongue
I (6) I'm not trying to make your life harder	And you will think
Or return to where we were	That I've moved on
But I will go down with (7) ship	I will go (22) with this ship
And I won't put my (8) up and surrender	And I won't put my hands up and surrender
There (9) be no (10) (11)	There (23) be no white flag above my door
above my door	I'm in love and always will be
I'm in (12) and (13) will be	I will go down with this ship
I know I (14) too much (15) and	And I won't put my hands up and surrender
Destruction to come back again	There will be no white flag above my door
And I caused (16) but trouble	I'm in love and always will be
I understand if you can't talk to me again	But I will go down with this ship
And if you live by the (17) of "it's over"	And I won't put my hands up and surrender
Then I'm sure that that makes sense	There (24) be no white (25) above my
But I will go down with this ship	door
And I won't put my hands up and surrender	I'm in love (and always will be)
There will be no (18) flag above my door	
I'm in (19) and always will be	
And when we meet
