

I know you think that I shouldn't still love you Or (1)_____ you that But if I didn't say it, well I'd still have felt it Where's the sense in that? I promise I'm not trying to make your life harder Or return to where we were But I will go down with this ship And I won't put my hands up and surrender There will be no white flag above my door I'm in love and always (2)_____ be I (3)_____ I left too much mess and Destruction to come (4)_____ again And I caused nothing but trouble I understand if you can't (5)_____ to me again And if you live by the rules of "it's over" Then I'm sure that that makes sense But I will go down with this ship And I won't put my hands up and surrender There will be no white flag above my door I'm in love and always will be And when we meet

Fill in the gaps

Which I'm sure we will
All that was there
Will be there still
I'll let it pass
And hold my tongue
And you will think
That I've moved on
I will go down (6) this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always (7) be
I will go down with (8) ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
But I will go down with this ship
And I won't put my (9) up and surrender
There will be no white (10) above my door
I'm in love (and always will be)
