

## Fill in the gaps

I hung up the phone tonight	Do you ever think, when you're all alone
Something happened for the (1) time	All that we can be, where this thing can go
Deep inside, it was a rush, (2) a rush (what a rush)	Am I crazy or falling in love
'Cause the possibility	Is it real or just (6) crush
That you would ever feel the same way about me	Do you catch a breath, when I look at you
It's just too much, just too much	Are you holding back, like the way I do
Why do I keep running from the truth	'Cause I'm trying, trying to (7) away
All I ever think about is you	But I know this crush ain't going away
You got me hypnotized, so mesmerized	Going away
And I just got to know	Why do I keep running from the truth
Do you ever think, when you're all alone	All I ever think about is you
All that we can be, where (3) thing can go	You got me hypnotized, so mesmerized
Am I crazy or falling in love	And I just got to know
Is it real or just another crush	Do you ever think, (8) you're all alone
Do you catch a breath, when I look at you	All that we can be, where this thing can go
Are you holding back, like the way I do	Am I crazy or falling in love
'Cause I'm trying trying to walk away	Is it real or just another crush
But I know this crush ain't going away	Do you catch a breath, (9) I look at you
Going away	Are you holding back, like the way I do
Has it ever crossed your mind	'Cause I'm trying, trying to walk away
When we're hanging spending time girl	But I know this crush ain't (10) away
Are we just friends, is there more, is (4) more	Going away going away
See it's a chance we've (5) take	
'Cause I believe that we can make this into	
Something that will last last forever forever
