

Fill in the gaps

I (1) up the phone tonight	Do you ever think, when you're all alone
Something happened for the first time	All that we can be, where this thing can go
Deep inside, it was a rush, what a (2) (what a rush)	Am I (17) or (18) in love
'Cause the possibility	Is it real or just (19) crush
That you would ever feel the same way (3) me	Do you catch a breath, when I (20) at you
It's (4) too much, just too much	Are you holding back, like the way I do
Why do I keep (5) from the truth	'Cause I'm trying, trying to (21) away
All I ever think (6) is you	But I know this crush ain't going away
You got me hypnotized, so mesmerized	Going away
And I (7) got to know	Why do I keep running from the truth
Do you (8) think, when you're all alone	All I ever think (22) is you
All that we can be, (9) this thing can go	You got me hypnotized, so mesmerized
Am I crazy or falling in love	And I just got to know
Is it real or just (10) crush	Do you ever think, when you're all alone
Do you catch a breath, when I look at you	All that we can be, where this thing can go
Are you holding back, (11) the way I do	Am I crazy or (23) in love
'Cause I'm (12) trying to walk away	Is it real or just (24) crush
But I know (13) crush ain't going away	Do you catch a breath, when I look at you
Going away	Are you holding back, like the way I do
Has it (14) crossed your mind	'Cause I'm trying, trying to walk away
When we're (15) spending time girl	But I know this crush ain't going away
Are we just friends, is there more, is there more	Going away going away
See it's a (16) we've gotta take	
'Cause I believe that we can make this into	
Something that will last, last forever, forever
