Our December by Thriving Ivory

I could see snow cover hills
You were walking, I was standing still
I (1)_____ feel the cold on my face
And we were talking (2)_____ always
I could (3)_____ snow covered leaves
You were walking (4)_____ to me
I would play you a song out loud
Yeah, we (5)_____ sing it 'till the year runs out
I remember streets covered white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
We were holding future in hand
A (6)_____ to fly and a place to land
Now our December will be sure to last
I said there'll be no rush for the year to pass
I remember streets covered white
And I remember a (7)_____ tonight

Said our December will be littered with light
And I see you walking to me
I could see snow covered hills
And all at once my heart is still
I see you walking to me
(Yeah) I see you (8)_____ to me
I remember streets covered white
And I remember a long tonight
Said our December will be (9)_____ with light
