

Fill in the gaps

I could see snow cover hills
You were walking, I was standing still
I could (1) the cold on my face
And we were talking like always
I could touch snow covered leaves
You were walking (2) to me
I would play you a song out loud
Yeah, we could sing it 'till the year runs out
I remember streets covered white
And I (3) a long tonight
Said our December will be littered (4) light
And I see you walking to me
We were holding (5) in hand
A place to fly and a place to land
Now our (6) will be (7) to last
I said there'll be no rush for the year to pass
I remember streets covered white
And I remember a long tonight

Said our December will be littered with light	
And I see you walking to me	
could see snow covered hills	
And all at once my heart is still	
see you walking to me	
(Yeah) I see you (8)	to me
remember streets (9)	white
And I remember a long tonight	
Said our December will be littered with	light
And I see you walking to me	
remember streets covered white	
And I remember a long tonight	
Said our December will be littered with light	
And I see you walking to me	
see you walking to me
