

Fill in the gaps

No one can love me the way (1) you do	Girl I'll (8) on playing my songs to the world
Yeah, I was the (2) of my own ship of fools	Between the (9) it's hidden in the smile
fled to the ocean, I aimed for the stars	Can't you hear a cry for love
So your face was a light that kept me saved from the dark	A cry for love
So I say please, say please	A cry for love
Girl you see me smiling	A cry for love
Girl I'm (3) words of joy to the world	Girl you see me smiling
Between the lines it's hidden in the smile	Girl I'm (10) words of joy to the world
Can't you hear a cry for love?	Between the lines it's hidden in the smile
jumped to the water, I swam to the shore	Can't you hear a cry for love
Turned up at your doorstep, I slept on your floor	I'll keep on smiling
woke up in panic, I dreamt you (4) gone	Girl I'll keep on playing my songs to the world
You're gone, you're gone	Between the lines it's hidden in the smile
stood there in silence with the damaged I've done	Can't you hear a cry for love
But now it's done, it's (5) so	You can see the smile
Girl you see me smiling	Can't you see the cry for love
Girl I'm singing words of joy to the world	It's hidden in the smile
Between the lines it's (6) in the smile	Can't you hear a cry for love
Can't you (7) a cry for love	
'll keep on smiling
